What do I need to include in my project?

Partners: __________________________________________________________

Drug: ____________________________
- Name of the Drug and definition of that drug.
- List some of the common street names for that drug.
- How that drug is used?
- How many teens abuse that drug?
- What are the short-term and long-term effects of that drug?
- Is it addictive? How do you know? (Does it have withdrawal symptoms?)
Guided Outline for Drug Research Project

- Can it be fatal?

- What are some of the signs that someone is abusing that drug?

- What are some of the resources that a person can go to for help for themselves or for someone they know?

- Does my project have at least 3 Appropriate Pictures?

- Work cited
